Once again Denise will be teaching a series of clinics at Overdale, focusing on the training of the horse, using the tools and vocabulary of Ride With Your Mind.

Each month she will be teaching for 2 consecutive days. Riders may attend on as many days for as many months as they wish i.e. 1 lesson in 1 month only, or 2 lessons for all 4 months. Places are limited and everyone who attended over the last few years had a great time, so early booking is recommended.
